Senior PR Team Leader

I worked at VNG for only 3 months. I'm not a gamer and I wanna find out how the game development environment, as well as the work of the communications, sales, community connection team at VNG.

You know, when working at VNG, I must have play games - and that is KPIs. I had the opportunity to work with the gamers community in Vietnam, learn how they stick with the game and build a community for 10 years. I also have the opportunity to participate in event management, the events with the participation of more than 8000 people. VNG is a memorable workplace.
